

# KOMATSU

## PC210 Electric

PROTOTYPE

Electric hydraulic excavator

**Engine power**  
123 kW electric motor

**Operating weight**  
24000 kg

**Bucket capacity**  
1.16 m<sup>3</sup>

## PC210 Electric

# Electric hydraulic excavator

## Powerful and environmentally friendly

- 123 kW electric motor
- Zero emissions
- Same performance data as a conventional PC210
- CCS (Combined Charging System) interface for fast charging
- Market introduction in 2023
